Headteacher: Hannah Isher

News on the 9th May 2017

Dear Parents,

We had a very exciting time when the ducklings were at nursery last month and the children were very gentle with them. The Spring Fair was a huge success raising almost £1,000 which will cover the cost of the tickets for the theatre show for the children in June.

This is a very busy term now and there are several dates attached to note for end of term activities and sports days.

The children who are moving to Reception in September will start to have visits from their new teachers and you may have been invited to their new school. Please let us know in the office if you will be taking your child to a visit so that we know when planning our activities at Nursery.

Best wishes

Hannah Isher

Thank you

Thank you to everyone who has brought in holiday photographs for the nursery display. If you go on a family trip please do bring in pictures to share or email them to the office and we can print them out.

Weather changes!

Please remember to bring coats in to school every day as it is still chilly even on the days the sun is shining. Once the sun arrives and it warms up we would ask that you apply sun cream before coming to school and remember to bring a sun hat.
Thank you

Summer holidays!

Although it seems a long way ahead this is advance notice that we will be open for the first 4 weeks of the summer holidays but will be closed weeks beginning 21st and 28th August. Booking forms will be available from next week. Holiday club will be open to all children aged 3-8 years. If you have any queries, please speak to Kim in the office.

Parking

Please be aware that we have received several complaints about the parking and driving around the school and London road. Recently cars have been seen parking, turning and reversing onto pavements and there have been some 'near miss' situations when parents have been pushing buggies with young children. Please take care and be aware of those around you.

Muddy puddles

As you are aware we use the outside area all year round and thanks to the waterproofs our children wear they are able to enjoy splashing in the puddles. The company that we buy them from are offering a £10 discount and a £10 donation to the school for any waterproofs purchased from them quoting Tenterfield Nursery School. Please follow the link below if you are interested in purchasing some to use at home.
