Just want to say a massive thank you for the fantastic work you all do with the children. Harry has absolutely loved coming to Tenterfield!

Thank you for everything that you do. Harry absolutely loves Tenterfields.

I feel we've been so lucky to have sent our children to Tenterfield. We strongly believe in the ethos

Such a Lovely nursery with lovely staff We'll miss you!

Tenterfield is amazing and my son loves his time there, he asks every morning if he's going to school and even asks on the weekends if it's a school day

Super lovely staff and love you encouraged Troy to get as dirty/wet as he could and explore his interests.

I think the level of care from Miss Talbot has been excellent she is a great asset to the team

You are all incredible and especially Mrs Barber, such a wonderful teacher to both of my children. She is so dedicated, kind, caring and will go above and beyond. Thank you so much to all of you for a wonderful year.

My child has had the best year at nursery! I could t have asked for a more caring keyworker! I feel my child has been given lots of support and nurturing to make good progress. I feel the nursery made excellent decisions during the pandemic and these were communicated quickly and consistently. I felt totally safe bringing my child throughout the pandemic in the keyworker group. She has made amazing progress in PSED and this has really prepared her for 'big school'. Thank you for everything!

Thank you, I have had the most wonderful experience being part of the Tenterfield family this year. Mrs Georgieva will be sorely missed next year by me and Poppy but I am sure whoever teaches her next will be fab too
