

Summer term 1, 2022

We have had such a busy start to the term and so much to look forward to with lots of events coming up so please add these important dates to your diary.

But before that, lets have a look at what we have done!

EASTER FUN

Before we broke up for the Easter holidays the Easter Bunny managed to fit Tenterfield into his busy schedule. He left clues for the children, and they showed great team work on their hunt.

BREAKFAST CLUB

If your child attends breakfast club and you wish for them to have breakfast, please can you ensure that they arrive before 8.15am. This gives them enough time to eat breakfast before nursery opens at 8.30 and the children head off on walking bus to St Mary's.

PACKED LUNCHES

Please can we remind parents that when providing a packed lunch for your child there should be no nuts, eggs, sweets or chocolate and small round foods such as grapes, cherry tomatoes, blueberries etc.

should be cut in half.

DUCKILINGS

There was so much excitement amongst the children whilst they patiently waited for the ducklings to hatch. When they did hatch the children got the chance to watch them swim, give them a cuddle and pet them if they wanted too. They were so kind and gentle with them.

PARKING

We have had a couple of complaints from our neighbours regarding parking during drop off and pick up. Please can we kindly remind you not to park across our neighbours drives. Thank you for your co-operation

Schoolgateway

SCHOOLGATEWAY

Schoolgateway is our new booking & paying system, please can we ask that you download the free app if you haven't already. Once downloaded, please ensure it is set to notification so you will be notified of messages etc.

Schoolgateway is incredibly easy to use, however if you do have any problems, please contact the office where we will be happy to help.
