

We have had such a busy start to the term already and so much more to look forward to. There are lots of exciting events coming up so please add these important dates to your diary. But before we share with you what's coming up, let's have a look at what we have done!

MACMILLAN CAKE SALE

Thank you to everyone who donated cakes and came along to our cake sale. We managed to raise £108, which is incredible! Thank you all so much

AUTUMN CRUNCH!

Autumn is well and truly here! We have been having lots of discussions with the children about the changes autumn brings and the importance of wearing a coat when you go

outside. We encourage the children to put on and take off their own coats independently at nursery, please ensure you encourage them to do the same at home. Please can you write their names in their coats.

When going on your autumn walks, please have the children bring in the things they may find such as acorns, conkers, orange leaves etc.

TEEPEE

We have two beautiful wooden teepee's in the garden which the children really enjoy using, one was purchased from the money raised on the sponsored sports day and the other was purchased from an extremely generous donation from the Munsie Family. We would like to say well done to everyone who raised money on the sponsored sports day and a HUGE thank you to the Munsie family for such a generous donation!
