

LOST PROPERTY

As you are aware children often mis-place their belongings. It is really important that you label their items as it helps us to locate them, especially when we have two of the exact same item.

Tomorrow, Thursday 27th May at 8.30 we will be putting out the lost property under the canopy. Please check to see if anything belongs to your child. If not collected we will take to the charity shop.

We will also be putting a table of canned beans and soup, please bring a bag and help yourself.

SPARE CLOTHES

Please ensure that if your child has had to use a nursery change of clothes these are washed and returned to their key person. Please make sure your child has a bag on their peg with at least one change of clothes. Please clearly name all items of clothing.

FOREST SCHOOL TOMORROW

We walk the children over the road to St Mary's School nature reserve. We plan activities to stimulate children's awe and wonder of our natural world. They love our forest school sessions.

The morning session (10- 11am) will be the Blue, Yellow and Red AM groups.

The afternoon session (1:15-2:15pm) will be the Orange, Green and Red PM groups.

Please ensure your children are wearing suitable clothes (trousers if possible). They will need wellies if they do not have a pair at nursery.

PARKING

We are experiencing lots of complaints regarding parking on Beckett Gardens as well as on the zig zags in front of our Nursery & and Welwyn St Marys School.

We have sent a letter of complaint to our local councillor about dangerous speeding and parking to help try and resolve some of the issues we are experiencing. Children's safety is paramount, therefore please can you be mindful of where you are parking during drop off and collection and refrain from parking across our neighbours drives please.
