## Tenterfield Termly News

November 2021

Dear Parents and Carers,

We have had a wonderful month full of fundraising for both the nursery and charities! We are so lucky to have such supportive parents. Thank you for all that you do to support Tenterfield! We are looking forward to heading into the festive period...with lots more fun and sparkle!

### ITS CHRISTMAS!

There are lots of events happening at Tenterfield to celebrate the Christmas festivities.

- \* Friday 10th December we have Christmas Jumper day
- \* Monday 13th December, twilight Christmas Carols, & a special visitor giving out gifts!
- \* Monday 20th December Is our Christmas Party, all nursery children are invited 8.30-11.30. Wear your best party outfits!

### COMING INTO NURSERY

It is wonderful to seeing the children coming into nursery independently.

They have done extremely well at managing their own belongings and finding their group.

### FUND RAISING!

I would like to start with a HUGE thank you to all the walkers and sponsors who made our 20k walk such a success last Sunday. It was a long walk, with a few wrong turns along the way but everyone walked over 20k which was amazing! I have been waiting to announce the final total, which is an incredible £1438!!!!

The sore legs and hips were definitely worth it. Thank you to all the organisers!

There was also a Children in Need fundraiser where all the children and staff came in to nursery in their pyjama's. Thanks to your kind donations we raised £197!

## LOST PROPERTY

As the weather starts to get colder your children will start to bring in hats, scarves and gloves. Can we please ask that these are ALL NAMED. We have 75 children on roll so trying to find lost items can be a challenge... that could be 150 gloves!!! We will always try our best to find missing items, but it does help us if everything is named please.

## CHANGE OF CLOTHES

Please ensure that if your child has had to use a nursery change of clothes these are washed and returned to their key person. Please make sure your child has a bag on their peg with at least one change of clothes.

## PCR TESTING

As you are aware, Covid-19 is on the rise. Should your child have any one of the following symptoms,

- ◆ High temperature
- ◆ New cough
- ◆ Loss of taste and smell

we would be extremely grateful if you could take them to have a PCR test. Thank you for your cooperation..

## UNEXPECTED CLOSURE

The decision to close our school is never taken lightly, however, if we should have to due to adverse weather conditions or unexpected circumstances we will notify parents via ParentMail before 8am.

A message will also be on our School website.
