

“Our daily offer”

Our daily offer will enable your child to access learning in a fun and interactive way. This will be supplemented by home learning activities for you to carry out at home.

There is no obligation to join the live sessions, they will be recorded if you wish to access them at another time.

- Live teaching will take place via ZOOM, links sent via ParentMail
- Home learning activities will be uploaded to Tapestry

We are delighted that the majority of our children who are at home are accessing either the zoom sessions or Tapestry activities, or both! We will be sending out a survey monkey next week to get your feedback and ideas for future home learning.

Please visit our website where you will find some links to our recorded phonics sessions for you to access in your own time.

Did you know?

Did you know you can still access book loans from the library, via Ready Reads? Families can order books for their children and themselves using this online form and then collect from a selected library.

<https://www.hertfordshire.gov.uk/services/libraries-andarchives/other-library-services/ready-reads.aspx> Alternatively you can call on 0300 1234049 and a member of the team will be able to help fill out the form.

Children being read to from an early age, has the greatest impact on their academic success in the future. Seeing you read books yourself also provides a positive role model for them. This service ensures you can continue to gain pleasure from new reading materials, for free.
