Feedback from you Tapestry account: What do you feel is most useful from having an online journal? Can it be improved? 41 responses

I love seeing how happy my daughter seems from the photos, that reassures me that she is in the right place. It's also really useful to see what she is doing so we can look at the pics and videos together as she doesn't always tell me much about her day

It's great being able to see what the children get up to at nursery and enables us to talk with them at home about the activities that they have been doing at nursery. It would be really useful if there was a way to privately message their teacher on there too.

I love seeing pictures of what my child gets up to , it would be nice to see them more frequently however I know they are incredibly busy

Helps to initiate family discussions about what's been happening at nursery. My child often isn't forthcoming when I ask what she's been doing or learning, but she loves sitting down with us to show us on the laptop and is really proud to tell us about it and speaks confidently and with more detail. She will also proactively ask to 'look at the pictures on Tapestry' from time to time to revisit things she's particularly enjoyed. She has recently begun to ask if I can send pictures or videos of things she's doing at home so she can share them with her teacher and friends at nursery too.

Nice to see photos of activities and children enjoying themselves.

Getting an insight into the children's day and what they have been up to as my child doesn't tell us much at home. Love seeing him play with friends

I like how I can view posts and comment at my leisure

Most useful in my opinion is seeing what he is up to during the day, I'd love to be a fly on the wall. Must be so cute!

It provides a good insight into what my child is learning.

Nice to see how they're getting on. Would be nice to have a few more individual entries, alongside the group entries.

Progress reports

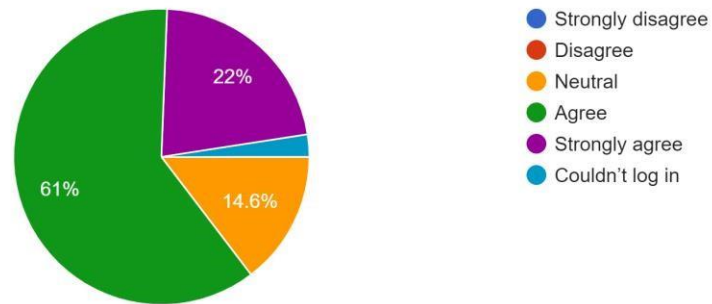

Love the videos and updates. Always very personal. I think there is a lot of communication to parents.

Across email, gateway and tapestry, I sometimes find it hard to keep up. One system for all would be great!

I like that it's all in one place, hopefully we will be able to download when they leave. It's nice to be able to see what the children have been doing so it opens up conversations at home.

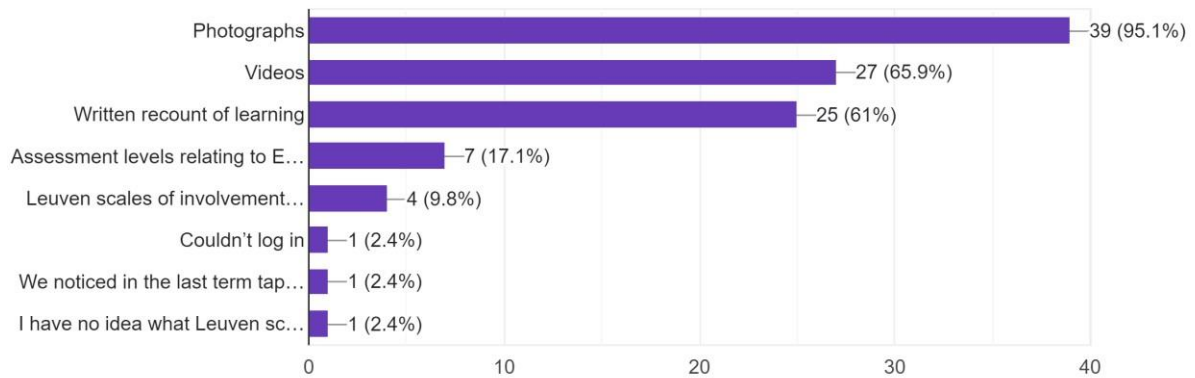

The posts on Tapestry help me to understand how to support my child's learning at home?

The staff are all amazing! We feel so lucky to have had this opportunity. We will treasure this time!

Thank you for everything you do. Harry has loved every minute of his Tenterfield journey and we cannot wait for Charlotte to start next Easter. Mrs Day is an absolute asset to you and we cannot thank her enough for the love and support she has provided.

Great nursery, I wish they had a primary school as well.

Amazing nursery! Thank you to all staff for making Tenterfield the best nursery around!

Tenterfield is excellent, such a special place for children to go.

Tenterfields is amazing and I am so pleased with everything. Thank you!!

Oscar and I have thoroughly loved our 2 years here. It's been a massive part of our lives and we will be sad to see this chapter close. Mrs Jackson, Karen and Rhoda have been above excellent and have made our time here so wonderful. I would not hesitate to recommend Tenterfield to anyone.

Thank you, I think you all do a great job

Absolutely brilliant nursery with fantastic key workers. My daughter has come on so far since she has been at Tenterfield, she runs in every day with a smile on her face. We will miss the nursery and staff so much when she moves on to primary school.

We can't rate Tenterfield highly enough and we feel so lucky to live in the village so we have access to such a brilliant place for our daughter to start her education. Thank you so much team Tenters ;-)

Couldn't have asked for a better setting for my child.

I absolutely love this nursery! My son has learnt so much and always asks even during half term if he can go to school today

As mentioned Tenterfield has changed my families life. It is an authentic nursery, the care and purpose each member of staff puts in really shows.

My daughter has loved been part of the school. I would like to commend all the staff, they are amazing :-)
