Coming up

As we head into the new term, we will be very much looking forward to meeting all the new children joining the Tenterfield family and wraparound. We also look forward to welcoming the children back to after school club that have moved on to primary school to hear all about their exciting times at their new schools!

A day in the life of After School Club...

As we are welcoming in our new families and those new to us from St. Mary's I wanted to share a little bit of insight into afterschool club and some of the great things we get up to!

When the children arrive, they settle into some quiet activities such as lego, drawing, puzzles and games whilst waiting for the walking bus to arrive. When all the children have arrived, a quick hello and register is done and then the children can choose to play inside or outside in our lovely garden. We share a story together before having a substantial snack which the children love to help prepare, such as making sandwiches! The children are encouraged to independently prepare food and drinks and sit together at tables (or sometimes in the garden for a picnic!) to share snack and a time to socialise as well. After snack the children partake in some different activities which are planned around their interests, topics from nursery/school or a possible theme for the week. A particular favourite was painting friendship rocks to keep as decorations in our gardens!

Holiday Club

The next holiday club will be running in October half term, so keep any eye on the Facebook page and announcements for booking dates and information!

And finally, if you have any questions, concerns or suggestions please don't hesitate to get in to with myself or our lovely headteacher Mrs Beare. We'd love to hear your feedback and /or suggestions.

With best regards
